That same two o'clock. ing the cachet of Gov. rament, the Nippon exening he took me to the Choi Fung Guido notes being invariably accepted with brothel. Several others went with us. We cut overtion.

The Japanese vernacular press continues to urge upon the Government the importance of formally taking possession of the group pay it as I was not twenty-one. I said I of the Emperor Tao Kuang, nephew of the known as Volcano Islands. The group consists of three principal islands, the most most northerly St. Alexander Island, and the central, Sulphur Island. The Nippon and 141, 19 sast longitude. Forty miles | north of it is St. Alexander, its latitude and longitude being 25° and 141 14, and August is forty miles due south of Sulphur Island. The group lies south-east of and at a distance of 135 miles from, Ogneswara Islands (the Bonins) and is about 1,700 miles from Yokohama. The area of Sulphur Island is 5 square miles, St. Alexander being a little smaller, and St. August the smallest of the three. volcanic origin, certain portions of the islands are quite barren and other parts are covered with weeds. The only natural product, worthy of mention, is sulphur, which is to be found at about thirty different places, occurring in a crystallized form. The largest of the sulphur fields is about four scres in area, the smallest some threequarters of an acre, and the sulphur presents itself in lumps, without any admixture of sand, and ready for immediate shipswarm with fish. A Japanese from Ogasa-Vulcario group in 1887, and a Mr Sakai has been made by folks from Ogssawars, who go to procure sulphur, or to fish. A little sailing ressel of thirty tons plying regularly between Ogasawara and the Bonins, and Mr. Sakai has contracted to supply the Osaks Sulphur Company with a quentity of that mineral. There are now 24 Japanese, 23 men, and one; woman, settled on Surphur leland, and it is in contemplation to add a sloop of 19 tons to the service between the two groups. - Japan Mail.

Luang Phrabang by the French, has been papers and asked me to sign my name always been ready to be hospitable, was Bapgkok, ancouncing the occupation of inspired, with a purpose, by the shifty The papers were in English, which I can ignominiously anubbed. After reading the from a necessity of putting to sleep his specialist's report on Mr Hepburn's case conscience before fatal sin. I regard the as his (Mr Hepburn's) mental condition bonhomie. Certainly, one drinks for pleawas recognised their Sydney manager at sure, and one smokes first from estentation Juner Council have received the following once arranged for the management of and afterwards from habit. And, good the business, and their inspector, who heavens! Why not leave this pleasure and was at the time at Singapore, sailed for Melbourne. Deplorable as the it?

loss was the directors felt suro the shareholders would concur with them that it was a loss no human being could ward against. The year they had gone through was one of the most trying and anxious of injurious, but they can be used in moderayears. They had not only the Baring tion. There are numerous examples of crisis, with its far-reaching consequences. but it had been a time of most violent fluctuation in Eastern exchanges, rates having ranged between 1s. 47d. and 1s. 82d., or about 25 cents, a condition of thengs which had greatly affected trade. He wished he could say ne believed there was likely to nurket. He feared, however, that such would not be the case. It looked as if the different parties in the Presidential Election pondent), to add in my turn that in this question in some manner to advance the existence of seven years wonderful exemp. even when a little extravegant, cannot lead not unreasonable to expect a period of exemption from such disasters, in the near pain, who preserved all his faculties, but aiderably, being over a quarter of a million rupees, and it was in silver they preferred to see their capital account represented, thus avoiding every fluctuation in exchange. The debentures had been paid off to the extent of £71,924, and they hoped in time to see this paid off altogether. On the sesets side they would notice there was a something of the South." larger sum of cash and securities then it was customary to hold : but considering the uncertainty in the financial world at the time. and the fact that they had joined the Barendeavouring to avoid a catastrophe. The to pay anything. He thought such assurance was ample. In conclusion he would point out that the endeavours of the directors to make the bank a continued and growing success must be supplemented by the hearty ou-operation of the shareholders in bringing all the business to the bank that lay in their power. He begged to propose that the directors' report and On London statement of accounts aubmitted herewith

THE USE OF TOBACOO AND

be and they are hereby adopted.

Count Tolator has, says the Paris corresmuch unrest has prevailed in the Com- pondent of the Times, published an article on the effects of tobacco and slcuhol, which and has aroused much discussion. One of These placards, much to the credit of the his translators, M. Halperine Raminski. open and liberal than his court, kisn countrymen, they have at least become they appeared, and thus much of the men, well-known in letters, art, or science, Tolatoi on this subject, and Saturday's

M. Gounod says :- You do me the hon-

peroly the truth of his opinion in all that duces a sluggishness of these faculties, that

I feel assured, now that we are to have sponsibility without which must consist to be

M Alphonse Daudet writes :- In reply his case one must always bring him to the point. Doubtless abuse of tobac o sud alcohol is folly; but after dinner nothing is so good as a pipe taken with the or two little glasses of excellent brandy. As for The ordinary general meeting of the New myself, I have never sought, and I never Oriental Bank Corporation (Limited) was shall seek, alcohol as a stimulant for work. have never noticed that tobacco was in-The Chairman said that since the last jurious; and, by a kindness of nature, meeting they had lost by death the services when I am not well even the smell of a

M. Zola says :- I do not drink wine, officer of the bank, whose service had sake of my health. It would be indeed to the Chairman went on to say that as soon vice rather as silly and a matter merely of this habit to those who do not suffer from

Dr Charcot writes :- I am compelled to admit that I do not find the article of Tolstoi very able. It is exaggerated, and therefore false. Alcohol and tobacco are this. Moreover, before alcohol and tobacco there came into the world abominable things. Indeed, since their introduction civilization has rather softened. Must one may, then, that tobacco and alcohol are moral forces? In everything I hate extreme positions. I believe in common couse, and I do not see that the position of

To stoi conforms to its dictates. I may be all wed (adds the Times corres. question, as always, Tolstoi remains just what he is -a powerful mind with original ideas full of brilliant angacity, but his exshowing himself absolutely original that he to the destruction of the conscience, and I of eighty-six, having preserved all his buoyancy and conscience, who throughout his life had had neither ache, nor dyspewho had amoked for seventy consecutive years, from sixteen to eighty-six, four een hours a day, so that he consumed during his life 7,500 by of tobacco. It is clear that in the light of such an experience the conclosions of Count olatoi appear as illogical as exaggerated; and, as says M. Alphonse Daudet, Bis man of the North has in him
